DIRECTORS' MESSAGE

BUILDING A LEGACY TOGETHER

As we welcome you to the 2026 Canada's National Arabian Championship, we find ourselves reflecting on just how far this event has come.

When the future of Canada's National Show became uncertain following its cancellation in 2020, many wondered what the next chapter would look like. Thanks to the passion, dedication, and unwavering support of our exhibitors, sponsors, staff, officials, and spectators, that next chapter has become something we are incredibly proud of.

What began as a leap of faith has grown into a championship that continues to unite the Canadian Arabian community while welcoming exhibitors and friends from across North America. Each year we are reminded that this event is about far more than ribbons and championships. It is about friendships, sportsmanship, family, and our shared love for the Arabian horse.

One value has remained unchanged throughout this journey. At Canada's National Arabian Championship, everyone matters. Whether you are entering the ring for the first time, cheering from the stands, working behind the scenes, or returning as a competitor, you are an important part of what makes this championship special.

We are once again grateful to the City of Brandon, the Province of Manitoba, the KeystoneCentre, our generous sponsors, and our incredible staff.

Their continued commitment has allowed this championship not only to survive, but to thrive.

As we look toward the future, our goal remains the same: to continue building an event that all Canadians can be proud to call their National Championship—one that celebrates excellence while remaining welcoming, inclusive, and true to the spirit of our Arabian community.

On behalf of the Directors of the National Arabian Breed Society of Canada, thank you for joining us in Brandon. We wish you safe travels, unforgettable memories, and the very best of luck throughout the championship!

Welcome to Canada's National Arabian Championship 2026...

"WHERE EVERYONE IS A V.I.P."

2026 JUDGES

Liz Bentley

Main Ring | Working Western Judge

Based near Joplin, Missouri, Liz Bentley has 47 years of experience as a trainer and breeder. She has produced and shown National Champions across multiple divisions, including a win as the 2012 US National Champion in Western Pleasure. Her training achievements span a diverse range of disciplines, earning National Championships in Western Pleasure, Hunter Pleasure, English Show Hack, Ranch Rail Pleasure, Ranch Riding, English and Western Ladies Side Saddle, and English and Western Trail, as well as a recent Western Dressage World Championship. She has also captured National Top 10 finishes in Country English Pleasure and Driving.

As a judge for 36 years, Liz has officiated at every level of competition, including National shows. She is committed to rendering fair, accurate, and consistent decisions in every class she evaluates.

Kim Morgan

Main Ring Judge

With a 60-year history in Arabian horses, Kim Morgan is based in the Gainesville area of North Texas. She got her start with her parents' horses and has worked as an equine professional for over 50 years as a breeder, trainer, and exhibitor.

Throughout her career, Kim has bred several National-level horses, trained and shown many National contenders in hand and performance halter, and competed successfully under saddle. Key highlights of her show career include her work with three standout horses: Ifka Red, Tevkah, and WS CenterStage.

As a National's level judge, Kim brings 15 years of experience, including judging at Scottsdale and the US Nationals. In the ring, she values good horsemanship, quality horses, and professional turnout and handling.

Pamela Zimmerman

Main Ring Judge | Working Western Judge

Raised in Yakima, Washington, Pamela Zimmerman began her equestrian journey with ponies, hunters, and Quarter Horses before discovering Arabian horses at age 14. While earning degrees in Microbiology and Animal Nutrition, she managed two stables before moving to Canada to work as a trainer. Though she has worked with many breeds, Arabians have remained her primary focus for over 50 years. Today, her greatest pride is watching her former students succeed as trainers, stable owners, and national champions.

Pamela has judged for 35 years, including Youth and U.S. Nationals, Mid-Summer Nationals, and World Championships in France, Australia, and Brazil. She continues to judge both open all-breed and Class A competitions.

Donna G. Longacre

Sports Horse Dressage Type Judge

Donna G. Longacre is a USDF Silver Medalist who has trained and competed nationally through the FEI levels. She holds a Bachelor of Science in Equestrian Studies, a Riding Master Certificate, and was awarded a USET scholarship to study dressage in Europe. Donna is a USEF "R" licensed judge in Dressage and Western Dressage, as well as Arabian and Western disciplines, and has judged extensively across the United States.

She is the owner of Longacre Stables & School of Horsemanship in Longview, Washington, where she has taught riders of all levels for over 40 years. An experienced clinician and educator, Donna is passionate about biomechanics and the application of dressage principles across disciplines. Her guiding philosophy remains: "Dressage as a foundation for all riding."

Caroline Hanson

Sports Horse Hunter Type Judge

Originally from the UK, Caroline Hanson is based in Palgrave, Ontario. She first got into Arabian horses in the 1970s, having grown up in Wales surrounded by Welsh Mountain Ponies and Cobs. Since the mid-1990s, she has competed on the Ontario provincial circuit, moving to the A/gold circuit in the 2000s. She currently shows in 1.00 m jumpers, hunters, and equitation.

Caroline has served as a Senior Steward since 2012, a recorded hunter, hack, and equitation judge since 2014, and earned her Senior Jumper judge's card in 2025. When evaluating a class, she appreciates immaculate grooming, attention to detail, and clean, well-fitting tack.

DANZA DE LA LUNA

PAINTED BY MICHAEL HARTMAN

OFFERED AT AUCTION TO SUPPORT
THE RICHARD & GEORGIANN AMES FAMILY FOUNDATION

ART FOR A CAUSE

Michael Hartman was raised in North Central British Columbia and had fallen in love with horses on his grandfather's cattle ranch, but it was the Arabian horse that truly captured his heart. At age ten he had his first horse - Safara Bayboy (who won multiple Championships in 26 years of showing) - starting an unbroken line of Arabian ownership right up to the present. His passion for all things Arabian Horse naturally evolved into a successful career as a professional trainer.

From his earliest recollections "The Horse" was his artistic focus. Since then, he has become an accomplished artist known for his unique style. His work has gained international recognition and is represented in various prestigious collections.

Notably, one of his finest paintings was the high selling piece at the Make A-Wish foundation's black tie equine art auction, in which his work was exhibited alongside some of the most popular equine artists in the world.

Hartman's artistic journey currently includes creating new works in Central America, Canada, and the U.S.A. The rarity of his original works being offered to the public adds to their allure, making them valuable collectors' items. Canada's National Arabian Championship is so very fortunate to feature Michael's latest work *Danza de la Luna* on the cover of our official show program in 2026.

Michael Hartman's generosity will extend to an exciting offering, in which the original painting will be auctioned in February 2027 at the Arabian Horse Times Awards Gala in Scottsdale, Arizona benefitting the Richard & Georgiann Ames Family Foundation.

THE KHANQUISTADOR LIFETIME ACHEIVEMENT AWARD

To be awarded Friday, August 16
After class 134
Royal Rae Dawn National
Championship Arena

Khanquistador was a remarkable twenty-year-old grey Arabian gelding who truly embodied the most important characteristics of our beloved breed. He spent his entire life bred, raised, and owned in Canada, and he was not only an incredible athlete but also an even better friend.

Throughout his impressive sixteen-year career in the show pen, Khanquistador earned over seventy National and Reserve National Champion titles at the Canadian, Youth, and Sport Horse Nationals. He competed in 15 disciplines, ranging from Hunter Pleasure to Over Fences, English Trail, and Ranch Riding. Not only did he compete on the Arabian circuit, he also competed on the open hunter circuit and three day eventing, as well as working with Stollery hospital programs for children with special needs, serving as an ambassador to the breed. Most importantly, he was cherished by one family—he was my best friend.

He was an outstanding show horse, but above all, he was loving and loyal, always giving 100% of himself. He carried me from walk-trot classes to the beginning of my journey in the adult amateur ring, navigating every challenge we faced together. There are too many highlights in his lifetime for me to possibly recount, he was too much horse for me when I was young, but we stuck it out.

We went from being a moderate disaster nearly every ride, to a team who seemed to communicate through thoughts alone. He did everything for me and gave it his all. Without him, I don't know that I ever would have grown into the horsewoman I am today. He inspired it all. He took me not only to my other horses, but to so many incredible people. We spent more than fifteen years of our lives together and the bond we shared is one I'll always carry.

The Arabian horse is renowned for its remarkable longevity and unwavering spirit, exemplifying a legacy of strength and loyalty that transcends generations. From its origins in ancient deserts to its modern role as a cherished companion, Khanquistador embodied the timeless qualities of endurance, steadfastness, and lifelong devotion. His legacy inspires us to recognize and honor those horses who continue to show us love, loyalty, longevity, and dedication throughout their lives.

This award is dedicated to celebrating those special horses who give their all to us, who help us grow and nurture and teach us. While no horse is with us forever, the lessons, memories, and love they leave behind lasts a lifetime.
